

6th Grade Science Camp Behavior Contract

I, _____, understand and agree that all school rules and regulations apply at Science Camp. I will act like a responsible 6th grader and make good choices at all times. I will set a good example for Fulton Elementary School, my parents, and for myself. I also understand that failure to abide by these rules will result in the loss of the camp experience.**

Student Signature

Date

**If a student's behavior requires "loss of camp," parents will be called and expected to retrieve their child ASAP.
