

The Once Upon a Time Series

Billy and Izzy

This is a story about, Billy the Goat, they just called him Billy goat. Billy was a little.... unusual, not like the others. The others liked the grass and flowers as a food choice.... and will Billy, he liked ice cream. Yes, ice cream.

Billy would do all that he could to find ice cream, he call it C-cream. He would go to the park and run into the middle of the park, "IT'S A GOAT!!!!" The people would scream and run, but they would drop their C-Cream and scream and run. As you can infer, Billy was a smart goat.

There was always a little girl who is in the park. She would always get strawberry ice cream every time she go there she would watch while she sat on the bench. One day the girl approached Billy, she put her strawberry C-

cream in front of Billy as if she was asking if they could be friends. Billy swallowed the ice cream in one big gulp as if saying NO TAKE BACKS! Billy scooped up a little girl onto his back. Slowly, he walked back to his meadow, carrying the little girl, she had got comfortable on Billy's back.

They got to the meadow and the little girl hopped off and after a silence the little girl said, "My name is Izzy." Billy sat down and the Izzy said to Billy, "I like ice cream too." Then he kept the girl after she had told him she was an orphan. Billy and Izzy lived in a meadow and every week they would get Izzy real food and as dessert, ice cream!!!
